No.14 Verbier

“No.14 Verbier manages to be a chalet, a hotel and a home all at once, mixing contemporary design with sleek interior lines. To stay in No.14 is to draw a lucky number, a sacred number.”

Paris Match

No.14 is owned by David Pearson who is the pioneer of the luxury chalet holiday in Verbier, having founded his first chalet business more than 25 years ago. No.14 Verbier is your ideal base to enjoy all that the resort has to offer.

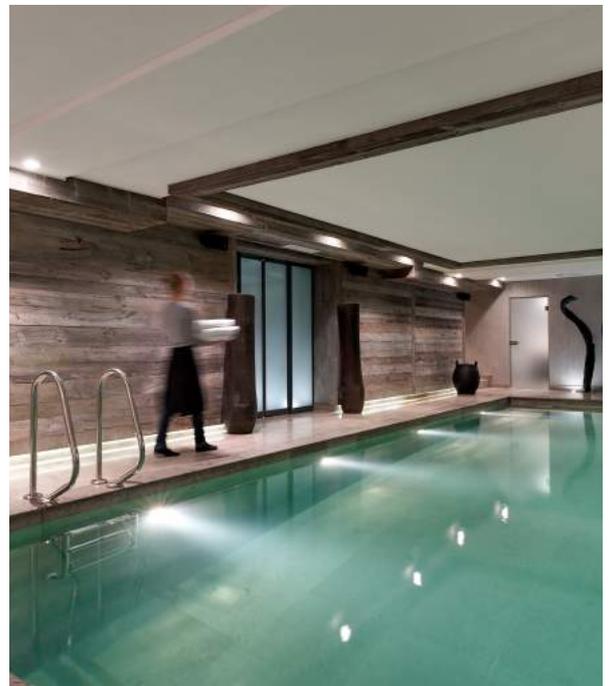

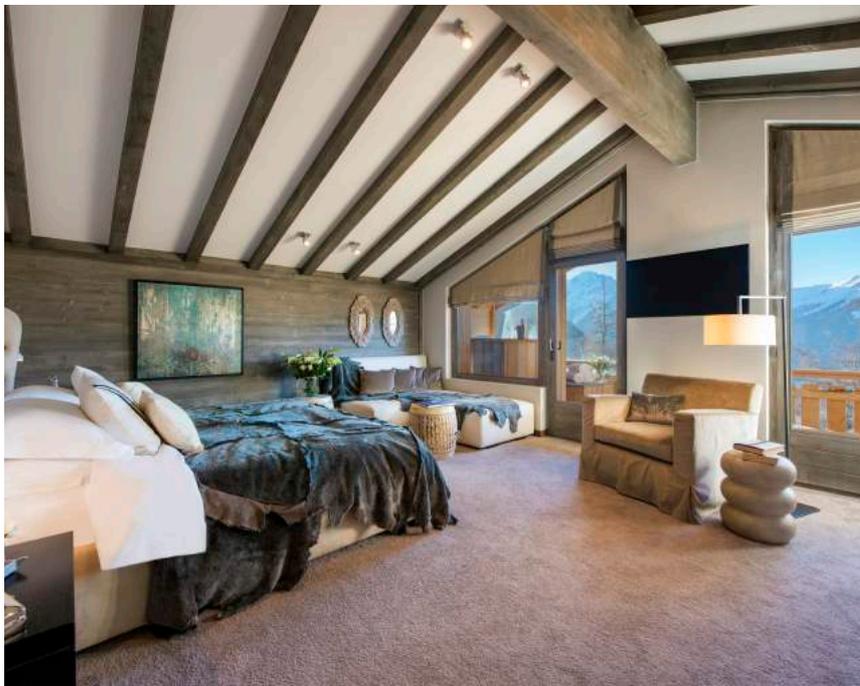

The chalet has thirteen stylish en suite bedrooms and interiors which have been beautifully designed with bespoke furniture hand made in London. Vi-Spring mattresses, Frette bedlinen and Bamford Spa & toiletries add a further layer of indulgence.

Outside there are two cedar hot-tubs. One is a huge tub on the expansive south facing terrace, where you can admire the stunning views, perhaps with a glass of champagne. The other is a private hot tub for two on the balcony of the chalet's master bedroom.

The main terrace also has a open grill kitchen and fire pit, sun loungers and a relaxation area with plenty of soft seating.

No.14 Food and Drink

No.14's Head chef James is doing his third winter in Verbier, having previously worked in a number of Michelin starred restaurants, such as [Fera at Claridges](#), [Dinner by Heston Blumenthal](#) and [L'Enclume](#) in Cumbria. With three chefs in the No.14 kitchen, you will always be spoilt with delicious food and of course the flexibility to either leave everything up to James or choose exactly the type and style of food you would like.

The drinks in No.14 flow freely! There is a fully stocked complimentary bar and our fine selection of house wines are personally selected by David and No.14's head chef, to compliment the food or as the perfect aperitif. Our bar tenders have all undergone extensive cocktail training with the Mixologist guru from the [Cotswolds Distillery](#) and we also offer non-alcoholic cocktails and stock the popular virgin spirit [Seedlip](#). No.14 uses an excellent wine merchant and so if you would like to pre-order something extra special, then we will do all we can to facilitate this. Our house champagne, [Perrier Jouet Grand Brut](#), is always chilled and waiting for you.

The day starts with a breakfast totally based around what each guest would like that morning. A full English with an unrivalled choice of accompaniments, through to a warming bowl of porridge made to your specification. Afternoon tea is a welcome sight for weary skiers arriving back from a day on the pistes. The No. 14 chefs provide a savoury and sweet selection. Canapés and drinks are served daily pre-dinner. The main event of the evening at No.14 is of course dinner. We offer traditional fine dining, or a more casual style of sharing plates usually influenced by Asian cuisine or a 'bistro' style with classics such as the perfect steak and chips accompanied by sharing bowls of salads/sides.

No.14 Spa Facilities

No.14's spa facilities are a welcome treat after a hard day on the slopes. With a 10-meter indoor pool, steam room, Jacuzzi and cold plunge pool, tired muscles can be relaxed with a chilled glass of champagne to hand. There are two treatment rooms and massages and beauty treatments can be booked at any time during the day or evening. We are proud to be a [Bamfords](#) accredited spa.

Outside there are two outdoor cedar hot-tubs. One is a huge tub on the expansive south facing terrace, from where you can admire the stunning views. The other is a private hot tub for two on the balcony of the chalet's master bedroom. The staff at No.14 will be happy to bring towels, robes and any drinks to the hot-tubs so that you can relax and enjoy the mountain scenery whilst lying on a lounger or sitting by the outdoor firepit.

For any guests that fancy a film night, No.14 has a home cinema room which is perfect for this. With soft comfy seating, blankets and dimmed lighting, the atmosphere is just right. Teenagers often like to escape to the cinema room to play X-box and younger children can enjoy Disney films on [Netflix](#) or the array of child friendly channels on Sky TV.

No.14 Service

The staff at No.14 are dedicated to offering you the highest level of service whilst importantly giving you your privacy and ensuring you feel at home. With 15 members of staff there is always someone on hand to help or get advice from, whatever time of day or night.

No.14 has a complimentary 24 hour driver service, so whenever you want to be picked up or dropped off anywhere within the resort of Verbier, one of No.14's 4x4 vehicles will only be a few minutes away. No.14 is only a 2 minute walk from the bottom of the Le Rouge piste, with it's excellent après ski bar. Some guests like to call the drivers from here and ask them to bring their shoes so that they can get out of their ski boots and enjoy a few drinks before heading back to the chalet! If you do want to enjoy Verbier's legendary night life, then the No.14 drivers will be able to drop you and pick you up whenever you want.
